Question next recurring on the motion by Mr. Sanders that the House do not concur in the Senate amendments, it prevailed.

REASON FOR VOTE.

My reason for voting against the motion to accept the Senate's amendment to House concurrent resolution No. 1 reducing the per diem from \$10 to \$8, is that I am opposed to cutting the per diem pay of legislators unless or until the rate of pay of all other State employes is cut; and I do not think the Governor will submit the salary cut question, judging by his public statements on that question.

DONNELL.

COMMUNICATION IN REGARD TO STATE ASSUMPTION OF COUNTY HIGHWAY BONDS.

The Speaker laid before the House and had read the following communication:

Capitol Station,
Austin, Texas, September 1, 1932.

Hon. Fred Minor, Speaker of House,
Austin, Texas.

The County Judges and Commissioners Association of West Texas in regular semi-annual convention, desires to state that we have cut county expenditures to the minimum and we are anxiously awaiting enactment of a law permitting State assumption of county highway bonds as the only material tax reduction measure which will help the people at once.

We commend the Governor for his foresight and attitude in this matter and express our confidence in our Legislature, trusting that co-operation will prompt a speedy and carefully framed law for the courts to follow on September 12 in setting their tax

levies. As representatives of our local people we plead for this relief by September 12.

Request that this telegram be read by the Governor and in the House and Senate and that same be accepted in the spirit of the confidence and appreciation with which it is sent.

TOM K. EPLEN,

President of the Association.

Resolved, That a copy of this resolution be sent to the members of the Federal Farm Board.

MEMORIALIZING CONGRESS IN REGARD TO PASSING BONUS BILL.

Mr. Burns of Walker offered the following resolution:

H. C. R. No. 7, Memorializing Congress in regard to passing Bonus Bill.

Whereas, There are thousands of these ex-soldiers in Texas that are facing starvation, poverty, and want because of the depression throughout Texas and the United States; and

Whereas, These ex-soldiers have rendered to the State of Texas and the United States government a service that cannot be valued in gold; and

Whereas, The United States Congress has appropriated millions of dollars for the railroads, insurance companies, banks, and big business in the United States; and

Whereas, The United States government executed a loan to the foreign nations of Europe to pay their soldiers a bonus; therefore, be it

Resolved by the House of Representatives of the State of Texas with the Senate of Texas concurring, That we memorialize the Congressmen from Texas and Senators to vote and work for the full payment of the adjusted service certificates of all ex-soldiers and for the full payment of the Soldiers Bonus Bill at the next session of Congress; and be it further
